The *Hawaii Divorce Manual* was first published by the Hawaii State Bar Association 34 years ago in 1975. Updated annually, and now in its seventh edition, the *Hawaii Divorce Manual* contains practical discussions of every aspect of divorce law in Hawaii. This includes all divorce practices and procedure memoranda, and divorce forms issued by all of the Family Courts; all citable divorce-related opinions and orders issued by the Hawaii Supreme Court since 1952, and by the Hawaii Intermediate Court of Appeals since 1981. The *Hawaii Divorce Manual* also contains an unsurpassed collection of other resource materials from over 150 local and national family law professionals.

**The all new 2009 *Hawaii Divorce Manual Supplement* will include:**

- All divorce-relevant legislation from the 2009 legislative session.
- Digests of all citable opinions and orders in divorce cases and family law cases issued by the Hawaii Supreme Court and the Hawaii Intermediate Court of Appeals since October 2008, as well as full text copies of the "landmark" decisions.
- All Hawaii Family Court Rules adopted by the Hawaii Supreme Court since October 2008.
- The annual update to the *Divorce Law in Hawaii*, which is a current overview of Hawaii law on divorce, annulment, legal separation, common law marriage, gay marriage, alimony, premarital agreements, postnuptial agreements, appeals, enforcement, divorce tax, and divorce practice and procedure issues.
- All divorce forms and instructions issued by the Family Courts since the 2008 *Hawaii Divorce Manual Supplement*.
- All divorce practices and procedure memoranda issued by all of the Family Courts since October 2008.
- New divorce practice aids.
