New Options Available to Hawaii State Bar Association Members

We are activating new insurance options for all Hawaii State Bar members. These new benefits are available through our partnership with Marsh Global Consumer, the largest risk management services organization in the world. Marsh has researched and analyzed benefit options to find the best deals to ensure the plans below are offered at a competitive price, with a quick & easy sign up process to keep up with your fast-paced profession.

Take Advantage of These Options Now Available:

- **10 Year Level Term Life:** This plan is tailored toward members age 60 and less and allows you to skip the physical exam when applying, plus you don't worry about enrollment periods.
- **20 Year Level Term Life:** Take advantage of group rates that can lower your premiums, with the option to add coverage for your spouse and children, too. This plan is available for members age 50 or less.
- **Annual Renewable Term Life:** This unique coverage option allows you to pay for one year of coverage at a time while guaranteeing an automatic renewal each year for a select number of years.
- **Personal Accident:** Access affordable coverage that helps you protect your family with a large, one-time payment in the event of accidental death or injury.
- **Senior Life:** Designed for those over age 60, this insurance helps cover life's final expenses and your spouse's income. You can get coverage ranging from \$5,000-\$50,000.
